JFK speech.

QUOTE: "An error doesn't become a mistake until you refuse to correct it."

At point 3:55 he uses the correct word REPUBLIC (not the "club" implanted word "Democracy")

PERHAPS HE TALKED TOO MUCH!!!!

JFK SECRET SOCIETIES

JFK really really tried to warn ALL OF US.

JFK "The President and the Press," before the American Newspaper Publishers Association, 27 April 1961

"All truths are easy to understand once they are discovered; the point is to discover them." -Galileo

IN JFK'S OWN WORDS HE IS TRYING TO WARN THE U.S. ABOUT A MONOLITHIC & RUTHLESS CONSPIRACY AROUND THE WORLD WHERE HE ASKED THE MEDIA TO HELP ALERT THE AMERICAN PEOPLE. THE MEDIA DID NOT ALERT THE AMERICAN PEOPLE. THE EVIL HE TRIED TO STOP CONTINUES!!!

It's been presented something was to manifest out of EO 11110

...that is open to interpretation, however because we cannot ask JFK it may be a coincidence he was murdered 5 months later. After all there are also those authors / historians who state JFK insisted on riding in a convertible 11/22/1963 and we cannot ask JFK whether that was his true intentions there either.

Of course, the fact that both JFK and Lincoln met the same end is a mere coincidence. (FOLLOW THE MONEY - FEDERAL RESERVE).

Why where there United States Notes (NEW MONEY) printed during JFK's presidency and then ended with JFK being murdered.

"United States Notes" were issued as an interest-free and debt-free currency backed by silver reserves in the U.S. Treasury. A "Federal Reserve Note" issued from the private central bank of the United States (the Federal Reserve Bank a/k/a Federal Reserve System), compared with a "United States Note" from the U.S. Treasury issued by President Kennedy's Executive Order. They almost look alike,

except one says "Federal Reserve Note" on the top while the other says "United States Note". Also, the Federal Reserve Note has a green seal and serial number while the United States Note has a red seal and serial number.

NO trolls or morons, HE WAS NOT TALKING ABOUT COMMUNISM, (FOLLOW THE MONEY - FEDERAL RESERVE).

Since 1913 (98 years) we all have been enslaved with illegal income taxes!! There is NO LAW we have to pay them. Along with illegal income taxes The Federal Reserve is a SCAM created by foreign bankers on U.S. soil which is NOT part of the U.S. Federal Government!!

JFK may have figured this out with the issuance of Executive Order 11110. Which has been said was set into motion to end The Federal Reserve 5 months before his murder.

Recently people including former IRS agents have been found NOT GUILTY of either failing to file or not paying income taxes. How can this be? No juries asked to see the law before!! They found "NO LAW" and a 100 year scam!!! See Aaron Russo's America: Freedom to Fascism
